

To Whom it May Concern:

I would like to express my heartfelt gratitude to Rachel Valentino. She impressed me from the start with her professional approach; her thorough preparation, her courteous demeanor and enthusiasm for her work.

From the time we first met until settlement day, I always felt Rachel was 100% concerned with giving her utmost to the task on hand. She always responded promptly and performed her duties efficiently. I am thoroughly pleased with the services she provided and **HIGHLY** recommend her as a very capable and competent real estate professional.

Sincerely,

Maye Aghazadeh
